Service Contract

Provides protection against rising repair costs, whether it's a new or used vehicle

Prompt, courteous, toll-free telephone assistance

Servicegard offers the ultimate coverage against the rising cost of mechanical repairs. It is available from selected dealers for virtually all makes and models.

That means if you have a failure of a covered mechanical component or a simple question concerning your service contract, you will have peace of mind in knowing that you will be taken care of promptly and in a courteous matter by our experienced service staff... all for a reasonable cost!

All of our plans have several deductible options from which to choose. You only pay the deductible for your plan on each covered repair visit. Repairs can be performed at your selling dealer or at any authorized repair facility in the United States or Canada.

Additional Plan Benefits

Towing: Provides reimbursement of charges to tow your vehicle to the selling dealer or authorized repair facility, if your vehicle is inoperable.

Trip Interruption: Provides reimbursement for receipted hotel and restaurant expenses, in the event failure occurs more than 100 miles from your home and results in an authorized repair facility keeping your vehicle overnight. (Not available on all Coverages.)

Vehicle Rental Reimbursement: Provides reimbursement for substitute transportation expenses due to a covered failure. (Not available on Powertrain Coverage.)

Coverage Levels

Powertrain: Listed component coverage for three general areas: engine, transmission and drive axle. Coverage for used vehicles.

Basic: This listed component coverage is an expanded Powertrain plan. Coverage for three general areas: engine, transmission, and drive axle. The plan covers more than 100 components and includes wear and tear. Coverage for new, late model and used vehicles.

Advanced: The most complete listed component coverage available. Provides coverage for engine, transmission, drive axles, brakes, front suspension, steering, air conditioning, electrical and fuel delivery. This contract includes wear and tear. Coverage for new, late model and used vehicles.

Preferred Wrap: This is a listed component coverage for vehicles that have an extended powertrain warranty through the manufacturer. Coverage for new vehicles.

Wrap: This is a comprehensive coverage for vehicles that have an extended powertrain warranty through the manufacturer. It lists the components that are not covered. Coverage for new vehicles.

Comprehensive: Covers all components on the vehicle, less the exclusions. It lists the components that are not covered; all other components are covered. Exclusionary coverage for new, late model and used vehicles.
