

Servicegard - Diamond Ceramic Exterior Protection®

The first ever long-term protective coating to combine nano diamonds with ceramic technology. The nano diamonds give unparalleled shine and reflection, creating a diamond brilliant finish on your vehicle. The ceramic forms a chemical bond to the surface for outstanding protection. Together, these two technologies produce a stunning appearance, with high levels of gloss, slickness, and reflection.

Diamond Ceramic Exterior Protection® provides:

- **97.8%** gloss retention for 7 years versus 26.2% retention for untreated surfaces
- Increases gloss by **25%** with added reflection and surface slickness

Servicegard – Interior Protection

For fabric, carpet, leather and vinyl surfaces. Protection for your vehicle's interior from most stains, U.V. fading, rips, tears, punctures, and burns.

Ask your dealer for details about the advantages of our appearance protection products and programs designed specifically for automotive vehicles.
