THEFT PROTECTION

Protect yourself from theft and unexpected expenses.

When a theft occurs, your insurance policy may not cover your loss completely. If your insurer follows common industry practices, they may cover only your vessel's actual cash value at the time of the theft. That may leave you responsible for other expenses, such as your insurance deductible, various fees, and sales tax for your replacement vessel.

Fortunately, the optional XtremeGard Theft Protection program offers you a theft-deterrent and identification system helping to minimize your losses, plus a Limited Warranty that gives you up to a \$5,000 benefit.¹

OUR SYSTEM HELPS PROVIDE PEACE OF MIND

- **Distinctive theft-warning decals** used to deter theft
- **Vessel marked with traceable identification codes** used to identify the owner of a recovered vessel
- **Up to a \$5,000 Limited Warranty Benefit¹** if the theft protection product fails to prevent the theft of the vessel, and the vessel is declared a total loss because 1) the vessel is not recovered, or 2) it is recovered but damaged beyond reasonable repair
- **Coverage options up to five (5) years**
- **Transferable coverage** may add to the resale value of your vessel²

PROTECT YOUR INVESTMENT

The following illustrates how the Theft Protection Limited Warranty Benefit can help cover outstanding out-of-pocket costs if your vessel is stolen and declared a total loss.

Insurance deductible	\$1,000
Down payment	+ \$2,000
Replacement vessel costs (sales tax, other fees)	+ \$2,000
Your potential expense	= \$5,000*
Theft Protection Limited Warranty Benefit	- \$5,000
Amount You Owe	\$0

*Approximate costs; your actual costs may vary.

This example is for illustrative purposes only. Actual Limited Warranty Benefit calculations will vary based on specific circumstances.

EXCLUSIONS:³

- Vessels stolen outside the United States, its territories, or Canada
- Vessels stolen when unlocked or with the keys inside
- Vessels stolen by family members or other people with access to the vessel's keys

The theft protection product is permanently installed on the covered vessel and is therefore noncancelable.²

¹ Depending on state availability and the Warranty Benefit amount you choose at the time of product purchase. If the vessel is purchased as a CPO/pre-owned vessel, the Limited Warranty Benefit amount will be (i) the Warranty Benefit amount selected by the customer at the time of Theft Protection Program purchase, or (ii) the actual cash value of the vessel on the date of loss, whichever is less.

² Please consult your Warranty for complete transfer and cancellation rules, including state-specific transfer and cancellation rules.

³ Additional exclusions may apply. Please consult your Warranty for specific coverage details, including limitations and exclusions.
